HOW IT WORKS

YOUR TASK

Upload all your recorded audio, music, and any other audio clips to a Google Drive or Dropbox folder. Share this folder with us and we'll handle the rest.

EDITING & DELIVERY

We combine all the different elements of your show, remove unwanted mistakes, noises, and empty spaces, and master the audio for optimal sound quality.

PRICING

The listed prices are for podcasts with a total RAW recording time of under 31 minutes and only 2 voice tracks. Use the below chart to estimate overages.
